What better place to get into the true spirit of Christmas than Victorian Cape May? This seaside town is transformed into a Dickens village for the holidays with garlands of fragrant greens and twinkling gaslights.

This tour includes 2 nights at the Grand Hotel in Cape May, Holiday Lights Trolley Tour, 1879 Emlen Physick Estate Tour, A guided tour to Cape May Point and Lighthouse, Christmas Candlelight House Tour, A day in Atlantic City and more.

Day 1 - This morning we board our deluxe motor coach and begin our travels south to the furthest point on the Jersey Shore, Cape May. Upon our arrival we will visit the Physick Family House and enjoy a Christmas Tour. This 1879 Victorian house museum sparkles for the holidays with authentic Victorian decorations that invite you to step back into Christmas past. Next we'll check into The Grand Hotel of Cape May on Cape May's Boardwalk and overlooking the ocean. Dinner this evening is included at the hotel and after dinner we'll enjoy a front row view of Cape May's holiday decorations on a heated trolley that winds its way through town. Our local guide will tell stories of Christmas past.

Day 2 - We begin our day with breakfast in the hotel's dining room before we set out for a great day of sightseeing. Our bus tour will travel through West Cape May to the tip of Cape May's peninsula, with a view of the fully restored Light house built in 1859. Then it's on to Sunset Beach where the concrete ship Atlantis is still visible and you'll enjoy a short shopping stop. Next we're off to Washington Street Mall where you'll have some time to enjoy lunch at one of it's many restaurants and stroll the beautiful Victorian streets. We will return to the hotel for a bit before enjoying a Christmas Candlelight House Tour.
