Maple Sugaring in Massachusetts March 23, 2019 \$103.00 per person

There's no sweeter way to spend your time than touring a sugar house. As winter ends and spring begins, New England enjoys its sweetest season: the

maple sugaring season, when maple syrup is made. Today begins at Hollis Hills Farm where we enjoy an educational maple sugar tour, along with a bottomless cup of coffee and apple cider doughnut and everyone leaves with a free sample jug of syrup! Next we're off to lunch at an award winning restaurant that has all the charm of a classic New England tavern. Meal choices today are Chicken Pot Pie or Fish & Chips served with garden salad, potato, vegetable, dessert & coffee or tea. After lunch we'll visit Kalon Farm, situated on a sprawling scenic landscape in Lancaster, MA. You will enjoy wine tasting and learn about the wine making process and take your glass home with you! We will make some time for shopping in their quaint little gift shop before heading home. Join us as we kick off the spring season with this delightful and delicious tour!
