Today begins as you leave the land of large and enter an amazing new experience, located at the crossroads of the world, Times Square. This fascinating display boasts hundreds of replicas of famous cities from all around the globe including our very own NYC! *A boxed lunch will be provided with the lunch room reserved at the museum.* Following our visit in Gulliver's Gate the excitement continues as we board the famous red double decker bus for a spectacular 2-hour tour of the city. This 90-year old company specializes in city sightseeing and provides excellent guide service and commentary. This wonderful tour will end at Chelsea Market where you will have a few hours to experience the sights, aromas and flavors of this 120-year-old historic landmark building. Don't feel like shopping?
